

SCHOLARSHIPS change lives

“ We are committed to furthering the education of exemplary students in the University of Southern California School of Pharmacy program, who may require financial assistance. Craig was afforded that opportunity as an undergraduate at USC and we believe in “giving back” to the profession through educating students.

It is our hope that all dedicated students who want a chance at a future in pharmacy should have it. We believe this is one of the best investments one can make in developing tomorrow’s pharmacists.”

CRAIG STERN, PHARM.D ('76), MBA ('94), and CAROL STERN, RN, BSN, MBA ('94)

Uzoamaka Enwerem, PharmD candidate ('11), is the recipient of the Carol and Craig Stern Endowed Scholarship.
